RE: Renewal Authorization MTR040008, Malmstrom Air Force Base MS4 under the Montana Pollutant Discharge Elimination System General Permit for Storm Water Discharges Associated with Small MS4s

Dear Colonel Feugate Opperman:

The Malmstrom Air Force Base is authorized by the Montana Department of Environmental Quality (DEQ) to discharge under the *General Permit for Storm Water Discharges Associated with Small Municipal Separate Storm Sewer Systems (MS4s)* under authorization MTR040008.

Keep this authorization letter, the permittee's Storm Water Management Program (SWMP), and the 2022-issued MS4 General Permit available at all times. Please read the General Permit to ensure you understand how to comply with the requirements and conditions. Coverage under the General Permit remains in effect until the expiration on **March 31, 2027**.

Thank you for your efforts in protecting Montana state waters. If you have any questions or concerns, please contact the Water Protection Bureau at (406) 444-5546.

Sincerely,

A handwritten signature in black ink, appearing to read "Jon Kenning", is written over a light blue grid background.

Jon Kenning, Chief
Water Protection Bureau
