

# Have you dreamed about being a stay-at-home parent?

Do you still need to earn an income? Here's your chance to do BOTH!

## Become a licensed FCC Provider

*Be paid to watch your own children!*

- Run your own business! Set your own fees and make your own hours!
- FCC Providers providing full time care (30+ hours a week for military families participating in the subsidy program) will receive payment for their own children in care, \$100 for children under 2 years per week and \$75 for children between 2-7 years per week.
- \$300 Bonus for initial certification and annual renewal after three months of provided care.
- \$1,000 Bonus for initial accreditation through National Association for Family Child Care.
