MEMORANDUM FOR ALL INDIVIDUALS ON MALMSTROM AFB

FROM: 341 MW/CC

SUBJECT: Malmstrom AFB Storm Water Policy

1. All individuals and companies that work, live on or visit Malmstrom AFB must comply with environmental standards. Therefore, to conform with the requirements of the Montana Department of Environmental Quality Municipal Separate Storm Sewer System (MS4) Permit issued to Malmstrom AFB, this policy memorandum addresses prohibited discharges into the storm water system.
2. All individuals on Malmstrom AFB shall prevent and eliminate any illicit discharge from entering the storm sewer system to the maximum extent possible. These illicit discharges include, but are not limited to, petroleum products, vehicle fluids, sediment, and trash.
3. All construction site personnel shall prevent and eliminate the release of fuel, chemicals, concrete washout, and sediment from entering the storm sewer system to the maximum extent possible.
4. All federal facility projects with a footprint of more than 5,000 square feet must comply with Energy Independence and Security Act (EISA) Section 438 to the maximum extent technically feasible. All projects that disturb more than 1 acre must comply with the MS4 post-construction requirements.
5. Failure to comply with standards related to illicit discharge, construction, or post-construction related storm water discharge may result in adverse action. United States Armed Forces personnel (Active Duty and Reserve Component) are subject to adverse action, including actions under the Uniform Code of Military Justice, Article 92. U.S. Government Civilian Employees may be disciplined in accordance with appropriate civilian personnel processes or law. Contractors shall abide by all storm water specifications in their applicable contract. Non-DoD civilian personnel (e.g. dependents, visitors, etc.) are subject to penalties authorized by law or regulation.
6. For more information or questions, contact Mr. Shannon Chouinard, 341 CES/CEIE at (406)731-7148 or shannon.chouinard@us.af.mil.

A handwritten signature in black ink, appearing to read "De ful", is positioned above the name of the commander.
